

No More Excuses!

UBC Professor David Ley has proven what we instinctively knew already: that Metro Vancouver's astronomical house prices have been caused by relentless immigration – most of which was unnecessary. Similar research in Ontario would undoubtedly come to the same conclusion for Southern Ontario.

Our politicians have known the truth for years, but they have pretended that they did not have enough evidence to act. Now they have no further excuses for inaction!

Office of the Immigration Lobby
and Real Estate Industry,
Proud Members of Organized Slime

'I like your attitude, Mr Mayor, and you too Councillors!'

Together with their puppet masters (real estate industry executives, and their useful, diversity-at-all-cost fools) our politicians have betrayed average Canadians and destroyed the communities we love.
